Further Organisation Details JSN_ABOUT_ORG_DESC

Organisation Summary (250 words max) Since last one and half decades, UDYAMA has demonstrated few evidence based initiatives working directly with community and engaging partner NGOs in flood & drought prone areas and carved out good learning on community resilience process. Learning'Linking- Livelihoods is the core areas of UDYAMA that has scaled and replicated in coastal, rural and tribal hinter lands. Founded in 1997, UDYAMA primarily aims towards strengthening and building capacities of local communities with a view to enhancing adaptation to vulnerability and changing the culture of dependency to a culture of self-reliance harnessing resource base, blending with traditional and improved technology transformation, with well articulated development communication. We are focusing following activities: - Community Livelihoods Resilience at Coastal, Rural and Tribal Hilly Regions - Model building on Sustainable Agriculture ,biodiversity conservation, Crop Diversification, - Micro-Water conservation initiatives ,Sanitation, House Hold Nutrition and Hygiene, - Life Skill Development , income diversification And alternate livelihoods of ultra poor - Advocacy towards City Resilient program ,Green Energy - Gearing Greening towards environmental sustainability - Implementing & advocacy on Minimizing Adverse impact of Distress Migration at source and destination - Citizen Action on climate Justice involving Women , Children and multi stakeholders - Networking and mainstreaming DRR and Institution building, - Result Based Management Training, Study & capacity building. Our approach aimed at to: - Provide as a catalyst for efforts to support people in areas facing repeated disasters or Vulnerabilities - Prepare for, plan to withstand and recover from stresses, shocks & drudgery - Take in hand root causes of disasters , impacts and vulnerabilities with lasting solutions - Adaptive Action Research and Innovation focused on the challenges and opportunities Affiliations & Alliances With our steady and sustained effort on disaster resilient development process, UDYAMA has bagged UN-ECOSOC status, Accredited to UN-Global compact, UN-CONGO, UNISDRR,UNEP, UNFCCC, UNCCD,UNURBAN GATE-WAY, Global Citynet, GFDRR and Global Water Partnership and members in stakeholders' forum, National Institute of Open Learning for Vocational Training , India Gateway, Government of India (NPO) , Water Climate Coalition, GNDR and WSP,WSSCC, End Water Poverty and SAMHITA, CDRN, AADRR, SPHERE-India. Very Recently UDYAMA has received International Award for Environment and e-NGO 2012 Using ICT in Development.
